Last Saturday, I went to a great party. It was <sup>0</sup>fancy dress so we all got dressed up as characters from famous films. Usually, I can't <sup>1</sup>s \_\_\_\_\_ fancy dress parties but I was feeling a bit miserable and I felt <sup>2</sup>I \_\_\_\_\_ doing something to cheer myself up. I decided to go as Forrest Gump. I even had my hair <sup>3</sup>d \_\_\_\_\_ to look like him. I had a great time but, when I went to school on Monday, everyone who wasn't at the party thought I looked really funny. My teacher is always saying that I'll do anything to get a <sup>4</sup>I \_\_\_\_\_ but I usually do it by telling <sup>5</sup>j \_\_\_\_\_, not by having a strange haircut!
